Service Opportunity: Spring Chapter Conference Planning Committee

Volunteering to help our chapter or national association is a great way to have fun while meeting some wonderful people, improving yourself and the profession, and becoming and being the leader you were meant to be.

Last year, our committee of 8 planned a well-attended 3-day conference in Indianapolis, and several of the committee members were serving for the first time. So this is a great opportunity to get involved in your AMWA chapter as well as get an opportunity to influence what will be included in the conference.
